Find Your Representative

Contact Your Congressional Representative

H.R. 4732, will authorize the U.S. Mint to issue commemorative coins in honor of law enforcement and the historic opening of the National Law Enforcement Museum. It currently has bipartisan support and would help raise as much as \$9.5 million in support of the Museum through the coin sales. There would be no cost to taxpayers or the federal government to produce the commemorative coin.

Who Has Co-Sponsored H.R. 4732

How Your Representative Can Gain Support From Fellow Colleagues

There are currently 108 co-sponsors and 290 are required to get the bill out of the Financial Services committee and to the House floor for passage.

The PORAC Membership Voice is stronger as one! Please urge your CA Representative to cosponsor, as well as enlisting the entire California delegation.
